Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

In response to the communications filed 5/5/2006, Applicant's response was received outside of the one month time allotted for the correction to the non-compliant amendment to be submitted. Extensions of time are permitted, however, Applicant is missing the fee associated with a request for Extensions of time (see 37 CFR 1.136(a)). Additionally, the submission dated 5/5/06 does not contain any amendments and therefore does not address the issues presented in the Notice of Non-Compliant Amendment dated 3/23/06. Please see previous Notice of Non-Compliant Amendment and further consult MPEP 714 for proper procedure for amendments and for responding to a Non-Final Office action.

The MPEP is available online at www.USPTO.gov. The direct url to the MPEP online, as of the date of this document, is <http://www.uspto.gov/web/offices/pac/mpep/mpep.htm>. Patent statutes, rules, and examination procedures may be found therein.
